The above accrual is as accurate as of 08 July 2010

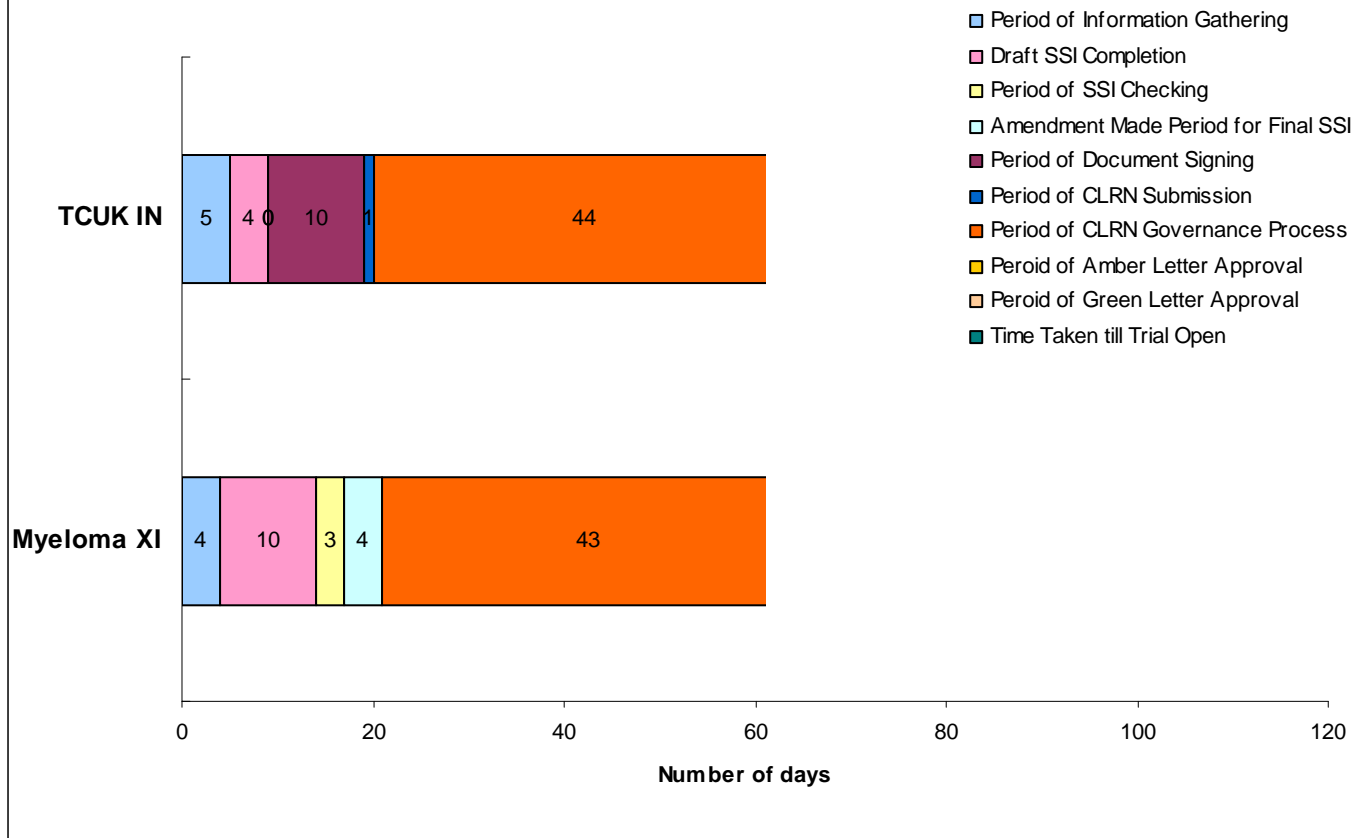

Total Recruitment for York since April 2010 is 27

Study is not run by Local Team

**York Trial Setup Process  
Complete within the last 6 month**

### York Trial Setup Process On Going Ones

TRIALS	Delayed Section	Reason for Delay
<b>PACIFICO</b>	   	<p>17/06/2009 - SSI locked and sent as PDF to York for signature. Delay in signing form as PI concerned about asking patients for bone marrow samples.</p> <p>20/07/2009 - form signed and returned to YCRN office. Delay in getting Application started as RO on holiday until mid-August and then Clinical Trial Co-ordinator on leave until 2 September and no one else could forward study documents.</p> <p>17/09/09 R&amp;D application emailed to Nina and Andre.</p> <p>22/09/09 CVs have been sent to CTU and CTU confirmed receipt on 29/09/09.</p> <p>20/10/09 First copy of signed signature log has received but it has been returned to York as CTA's request.</p> <p>23/11/09 - original signed signature log sent to CTU (recorded delivery). Signature Log amendment on going as requested by CTU between 25/11/09 to 30/11/09</p> <p>10/12/09 - NJ's query has been answered and he had signed off the IRMER form.</p> <p>13/01/10- The study has been handed over to R&amp;D.</p> <p>09/02/10 Amber light letter dated 19/01/10 - green light letter outstanding; will be issued when contracts are fully signed.</p>
<b>ADMIRE</b>		<p>30/07/09 Draft contract has been chased up. CTU Oked CTA on 28/08/09. Paper needs to be signed by sponsor and signature log has sent out at the same time.</p> <p>10/09/09 CTA signed by sponsor received by YCRN. YCRN chased signed IRMER form on 18/09/09. Signatures has been collected on WC 21/09/09.</p>

		<p>28/09/09 Research team has confirmed that York signing off IRMER form is still outstanding.</p> <p>20/10/09 Signed signature log and Pharmacy Declaration received. Still wait for Pharmacy Signature.</p> <p>12/01/10 It was confirmed that this study was handed over to R&amp;D.</p> <p>09/02/10 - R&amp;D confirmed that the Green light letter was issued on 29/01/10.</p>
<b>TCUK IN</b>		<p>25/05/10 Submitted to CLRN. CLRN queried about potential data protection issue.</p>
<b>MYELOMA XI</b>		<p>08/06/2010 Query re. York Irmer. No skeletal surveys as standard care should read 1 not 0. Re-sent form and sent to Peter Howells for signing off. Peter confirmed he has signed form and put it in the post.</p> <p>17/06/2010 Received signed IRMER form. The study is held up by Pharmacy issues re. excess costs.</p>
